1. Why are you applying for asylum or withholding of removal under section 241(b)(3) of the INA, or for withholding of removal under the Convention Against Torture? Check the appropriate box(es) below and then provide detailed answers to questions A and B below:

I am seeking asylum or withholding of removal based on:

- A. Have you, your family, or close friends or colleagues ever experienced harm or mistreatment or threats in the past by anyone?

No  Yes

If "Yes," explain in detail:

1. What happened;
2. When the harm or mistreatment or threats occurred;
3. Who caused the harm or mistreatment or threats; and
4. Why you believe the harm or mistreatment or threats occurred.

I was a bus driver in my town in Mexico. In 2016 members from the MS-13 gang started harassing me. They told me that if I do not give them money when I drive my bus, they will kill me. At that time I was so afraid that I just did what they wanted. I gave them money every time they stopped my bus. Last year, they started asking me for more and more money. Eventually, they started asking for so much money I could not pay. I told them this in June 2017 and the gang members pointed a gun at me and shot at the ground near me. They said if I did not pay them soon they would kill me. I was so afraid that I decided my family had to leave my town right away to get protection in the United States.

- B. Do you fear harm or mistreatment if you return to your home country?

No  Yes

If "Yes," explain in detail:

1. What harm or mistreatment you fear;
2. Who you believe would harm or mistreat you; and
3. Why you believe you would or could be harmed or mistreated.

I cannot return to Mexico because the gang members would definitely kill me. In my town I would not be the first person these gang members have killed. They take money from people and when they can't pay, they kill them, and even go after their families. My family and I need to be protected so that they will not kill us.

Have you or your family members ever belonged to or been associated with any organizations or groups in your home country, such as, but not limited to, a political party, student group, labor union, religious organization, military or paramilitary group, civil patrol, guerrilla organization, ethnic group, human rights group, or the press or media?

No  Yes

If "Yes," describe for each person the level of participation, any leadership or other positions held, and the length of time you or your family members were involved in each organization or activity.

B. Do you or your family members continue to participate in any way in these organizations or groups?

No  Yes

If "Yes," describe for each person your or your family members' current level of participation, any leadership or other positions currently held, and the length of time you or your family members have been involved in each organization or group.

No                       Yes

If "Yes," describe in detail the circumstances of your visit(s) (for example, the date(s) of the trip(s), the purpose(s) of the trip(s), and the length of time you remained in that country for the visit(s).)

When I first came to the United States, I had to leave my oldest son in Mexico because we did not have enough money to bring him right away. I returned to Mexico after I had saved enough money to go get him in order to bring him the United States to be with us.

---

5. Are you filing this application more than 1 year after your last arrival in the United States?

No                       Yes

If "Yes," explain why you did not file within the first year after you arrived. You must be prepared to explain at your interview or hearing why you did not file your asylum application within the first year after you arrived. For guidance in answering this question, see Instructions, Part 1: Filing Instructions, Section V. "Completing the Form," Part C.

When I first arrived to the United States I did not know about asylum. I came here to save my family from the MS-13 gang. I did not mean to break any laws in the United States by living here without documentation. We are good people and we want to work and make the United States our home.

6. Have you or any member of your family included in the application ever committed any crime and/or been arrested, charged, convicted, or sentenced for any crimes in the United States?

If "Yes," for each instance, specify in your response: what occurred and the circumstances, dates, length of sentence received, location, the duration of the detention or imprisonment, reason(s) for the detention or conviction, any formal charges that were lodged against you or your relatives included in your application, and the reason(s) for release. Attach documents referring to these incidents, if they are available, or an explanation of why documents are not available.
